PINOT NOIR LO ABARCA HILLS 2012

This Pinot Noir is the Grand Cru of our portfolio. Lo Abarca Hills are the vineyards that surround the town of Lo Abarca. Here we have the best soils: limestone with marine deposits. The vines here have low yields of 3 to 4 tons per hectare and produce grapes that ripen very slowly which translates into a great concentration and good fresh acidity.

VINIFICACIÓN

It is harvested by hand in 18kg bins when the grapes are at an optimum maturity. All clusters undergo a rigorous manual selection on our sorting table. They are destemmed and cold macerated for 4 days. Spontaneous fermentation takes place with three manual punch downs a day. Before finishing its fermentation the wine is moved to French oak barrels of which 20% is new oak and the rest is mainly second use. Lees steering for 3 months. The wine stays for a total of 16 months in the barrel. Wine is unfiltered and without acidity correction.
