

VIÑEDOS LO ABARCA

Nº 1

PINOT NOIR 2015

1171°32'30" West. From this first-class land, strategically located between the Pacific Ocean and the Coastal Mountain Range, Viñedos Lo Abarca was born. The cool Ocean breeze that runs through the valley, makes Lo Abarca one of the most unique terroirs in Chile. The wines coming from Lo Abarca have changed the perception of Chilean wines in the world. This is the first bottle of red wine made, a limited edition of Pinot Noir, with only 3.500 bottles.

Terroir: One of the most peculiar and unique terroirs in the World. Characterized by its steep hills, a cool ocean breeze with morning fogs, and its mineral "tierras blancas" due to its white soils and marine deposits.

The Nose: Red currant and Cranberry festival mixed with forest floor. Layers of red to black fruits after some aeration, lovely pie crust aromas.

The Palate: Young and broad, an elegant wine with good persistence in the palate. Vibrant, clean acidity.

Winemaking notes:

- ✓ Harvested by hand during the second week of April in small bins of 18kg.
- ✓ Fruit is selected by hand on the sorting table, de-stemmed and crushed, followed by a cold soak for 4 days.
- ✓ Spontaneous fermentation with three manual punch downs per day.
- ✓ Before the fermentation has been completed the wines are transferred to French oak barrels (without new barrels), mostly second use barrels.
- ✓ 14 months barrel aged.
- ✓ Batonage of the lees for three months
- ✓ Unfiltered.

Technical specifications:
