

VIÑEDOS LO ABARCA

GARNACHA / SYRAH 2014

Nº3

1171°32'30" West. From this first-class land, strategically located between the Pacific Ocean and the Coastal Mountain Range, Viñedos Lo Abarca was born. The cool Ocean breeze that runs through the valley, makes Lo Abarca one of the most unique terroirs in Chile. This special terroir gives life to our Garnacha/Syrah, that stands out for being unique, from a real cool climate, spicy, delicate and very elegant. An exceptional wine with a seal of innovation and excellence at the cutting edge of Chilean wine. This is our first blend, a limited edition of Garnacha-Syrah with only 5.500 bottles produced.

Terroir: One of the most peculiar and unique terroirs in the World. Characterized by its steep hills, a cool ocean breeze with morning fogs, and its mineral "tierras blancas" due to its white soils and marine deposits.

The Nose: shows complex flowery aromas of violets and lavender mixed with unripe blueberries. A touch of balsamic brings great complexity to this wine.

The Palate: the mouthfeel is fresh and juicy with a sharp, mineral acidity. This wine shows an astonishing purity. It is recommended to open a bottle every year for 15 years or more to follow this wines development.

This wine is a blend of 51% Garnacha and 49% Syrah.

Winemaking notes:

- ✓ Harvested by hand during the first and second week of May in small bins of 18kg.
- ✓ Fruit is selected by hand on the sorting table
- ✓ Spontaneous fermentation, natural acidity
- ✓ 12 months barrel aged in French Oak
