

VIÑEDOS LO ABARCA

Nº 2

SAUVIGNON BLANC 2017

In a country known for having one of the most diverse terroirs in the world, Lo Abarca Valley results to be one of the most extraordinary. The cool ocean breeze coming from the Pacific Ocean has changed world's perception of Chilean wines. From this first-class land, Viñedos Lo Abarca is born. This bottle of Sauvignon Blanc is a limited edition of only 2.700 bottles, part of our exclusive selection, the maximum expression of our dream and passion, of which you are about to take part.

Terroir: One of the most peculiar and unique terroirs in the World. Characterized by its steep hills, a cool ocean breeze with morning fogs, and its mineral "tierras blancas" due to its white soils and marine deposits.
